1983 INDEX

Feature Articles

Ahrens, Stephen, and Bryson, Charles H. "Characteristics Of An MIS Executive In Higher Education." January, pp. 2-6.

Arns, Robert G., and Curran, Fred A. "Information System Requirements For Strategic Planning And Strategy Implementation." September, pp. 22-26.

Bennett, Cedric S. "Stanford's Terminals For Managers Program: Three Years Later." September, pp. 10-14.

Berry, Dennis. "Computer Services: Is This A Contradiction In Terms?" May, pp. 4-8.

Blair, Norman A. "Containing The Damage: Quality Control Of Local Data Production." May, pp. 10-14.

Blunt, Charles R., and Hazboun, Kamal A. "Sharing Administrative Information Resources Through Office Systems Networks." March, pp. 8-13, 16-17.

Bomzer, Herbert. "Expanding Computer Service With Personal Computers." July, pp. 22-27.

Bostrom, Robert P. "Designing An Information System: The Socio-Technical Approach." March, pp. 22-26.

Brown, Kenneth G., and Droegemueller, Lee. "Microcomputer Use In Administrative Decision Support Systems." July, pp. 12-19.

Bullard, David. "Local Area Networks." November, pp. 12-15.

Campbell, Sally. "Supporting Micros In A Mainframe Environment." July, pp. 32-36.

Carse, James W. "Buyer Beware: Managing The Software Selection Process." May, pp. 18-21.

Cox, Janis F., and Hiser, Judith N. "Department Information Support." September, pp. 18-21.

Craft, Larry N., and Legere, Jerry. "Administrative Services From A Process Perspective." March, pp. 18-21.

Davis, Kathi Hogshead. "Data Base Design Using Entity-Relationship Models." January, pp. 14-19.

Gustavson, Patricia. "Small College Conversion To Centralized Information Processing," January, pp. 8-11.

Hesse, Elmer F., and Newsom, Henry W. "Productivity And The Inexperienced Programmer." May, pp. 26-29.

Harris, Albert L. "Microcomputers In The College Environment." July, pp. 6-11.

Hella, Karl N., and Lygre, John. "Faculty Information System: A Microcomputer Application." July, pp. 28-31.

LeDuc, Albert L., Jr. "The Development Of Personnel In A Computer Services Organization." November, pp. 24-28.

Maddox, Roberta; Mitchell, Bruce D.; and Roddenberry, Shirley. "User Controlled Data Management In The SUS Of Florida." January, pp. 20-24.

Markle, E. Nancy. "MIS Chargeback." March, pp. 4-7.

Mullins, Carolyn J. "Do You Hear What I Say? Do You Read What I Write?" September, pp. 6-9.

Sherron, Gene T., and Gattone, Dean R. "Selecting A Computerized Library Information System." November, pp. 18-23.

Sholtys, Phyllis A. "Systems Prototyping With Fourth Generation Tools." November, pp. 8-11.

College And University Systems Environment

Carnegie-Mellon University. July, pp. 20-21.

Hawaii, University of. May, pp. 16-17.

Johns Hopkins University. March, pp. 14-15.

Michigan State University. November, pp. 16-17.

Missouri, University of. January, pp. 12-13.

Tulane University. September, pp. 16-17.

Current Issues

Chachra, Vinod. "The Role Of The Institution As A Software Distributor." May, pp. 2-3.

Doty, Kathlyn E. "It's 11:00 P.M.—Do You Know Where Your Data Is?" July, p. 4.

Doty, Kathlyn E. "Computer Law: Advancing At A Glacial Pace." November, p. 2.

Kelley, Stephen W. "Building A Campus Communications Network." September, pp. 2-4.

Plourde, Paul J. "CISR: An Update." March, p. 2.

Steingraber, Jack K. "You Watch Your Data, I'll Watch Mine!" July, p. 5.

Viewpoints

Flanagan, John S. "Command Authority: The Key To Corporate Success." September, inside back cover.

Flanagan, John S. "An Effective Leader Is A Problem Solver." March, inside back cover.

Gillespie, Robert G. "Testimony: On H.R. 1310." May, pp. 30-31.

Thompson, Kenneth W. "Keeping A Lid On The Malaise." November, inside back cover.

Publications—Reviews and Articles

Managing the System Life Cycle: A Software Development Methodology Overview, by Edward Yourdon. Reviewed by Sandra T. Dennhardt. January, p. 7.

Computing in Higher Education: A Planning Perspective, by Vinod Chachra and Robert C. Heterick. Reviewed by James I. Penrod. May, p. 22, 24.

Campus Computing Strategies, edited by John W. McCredie. Reviewed by Gary D. Devine and C. William Fischer. May, p. 23.

Sherron, Gene T. "Office Automation: A Brief Review." May, p. 24.

Introduction To Data Security And Controls, by Edward R. Buck. Reviewed by Vincent LaMonte. July, pp. 38-39.

The Politics of Projects, by Robert Block. Reviewed by Ellen Earle Chaffee. September, p. 5.

The Data Factory: Data Center Operations & Systems Development, by Edward G. Roeske. Reviewed by Andrew Wehde. November, p. 30.

Other Articles

"CAUSE Office: A Model For Automation." September, pp. 30-31.

Devine, Gary D., and Thomas, Charles R. "Microcomputers In Perspective." July, p. 2.

Minter, W. John. "A Short Bibliography On Micros." July, p. 3.

Penrod, James I., and Hughes, Nancy. "Computer Literacy: Synopsis Of An Institute." November, pp. 3-7.
